Bali has been given many names – "The Island of God" and "Morning of the World" – all seeking to express the mystique that has for centuries lured visitors from far off shores.

In the South of the island, surrounded by the Java sea, Club Med Bali is located in an exceptional setting. This highly sophisticated resort has a traditional Asian feel to give you a complete change of scenery.

Beneath the coconut trees near the pools of lotus flowers and water lilies, the 468 bungalows and their flared roofs have been inspired by Bali's architectural style. The spirit of Buddha floats over Bali, where you will discover a way of celebrating life that is unique to Indonesia.

Families are welcome with activities for children from morning to evening, specially planned for each age group and run by professionals.
