Captivated by the novels of Jules Verne, marveling at the pictures of Jacques Cousteau or simply curious, who has not dreamed of walking on the seabed?

The fleet of Blue Safari Submarine consists of two submarines including "Tom Thumb," the Blue Safari 600 "large", the Blue Safari 1100.

### The Subscooter

USD 195 PER PAX - DOUBLE SHARING

USD 310 EXCLUSIVELY - ONE PAX

Drive your own underwater scooter by 3 meters and live a unique experience! No need to be a diver or swimmer to control the sub scooter...

Comfortably seated one behind the other, you breathe freely and naturally in a broad common cupola, transparent and panoramic.

For safety, an accompanying diver will guide you during the 30 minutes of your underwater cruise.

Once you are equipped with a wetsuit, Blue Safari brief you for 15 minutes on the very simple handling of the sub-scooter and safety rules to observe.

### Undersea walk

USD 180 PER PAX

The Underwater Sea Walk is one of the most unique attractions that one must experience when visiting Mauritius. It is a true once in a life time experience for all the non-divers out there!
