### **Day 01: Welcome In Mexico City**

You will be amazed by the size of the city from the moment you arrive. Meet and greet with a local representative and transfer to your hotel. After check-in, free time to start exploring the city. As the country's capital, the "Distrito Federal" is a mosaic of contrasts but most of all an experience in which all of Mexico comes together. It's the perfect place to start your trip in Mexico.

**Included:** Airport transfers, Overnight Hotel in Mexico City

### **Day 02: City Tour and Anthropology Museum**

Get to know one of the world's biggest and most exciting cities! Enjoy a guided visit to the historical center, listed by UNESCO as World Heritage. This interesting tour will include "The Zocalo", the heart of the city, where you will visit the Metropolitan Cathedral, one of the oldest and largest of the Americas, and the National Palace, to see the famous murals of Diego Rivera. You will also see the ruins of the Templo Mayor, one of the most important temples of the Aztecs in their ancient capital city of Tenochtitlan. The Templo Mayor is thought to be located on the exact spot where the Aztecs saw the eagle perching on a cactus with a snake in its beak. This symbolized for the Aztecs that they had reached their promised land. Next, we drive down the beautiful Paseo de la Reforma Avenue to arrive at Chapultepec Park. In pre-Hispanic times a summer residence for the noble class of the Aztecs, now it is Mexico City's largest park and one of the largest city parks in the world. We will visit the Museum of Anthropology (closed on Mondays). This museum is considered to be among the world's finest of its kind. Here you will admire the famous Aztec calendar stone, models of Tenochtitlan, a fascinating market place diorama, giant stone Olmec heads from the jungles of Tabasco and Veracruz, among many other interesting treasures.

### **Day 03: Pyramids of Teotihuacan and the Shrine of Guadalupe**

Teotihuacan, 'the place where gods were created', is one of the most impressive archaeological sites of the country. The history of Teotihuacan is quite mysterious. The earliest buildings were constructed around 200 BC. It is assumed that the city may have counted 200,000 inhabitants during its period of prosperity. In those years, Teotihuacan was the biggest city of the American continent and one of the biggest

of the world. Until its inhabitants abandoned the city around the 8<sup>th</sup> century, Teotihuacan was probably the most significant and civilized cultural center of ancient Mexico. During this guided excursion you will encounter the magic and mystery of Teotihuacan. Admire (and climb?) the Pyramids of the Sun and the Moon. Walk down the Avenue of the Dead, visit the Temple of Quetzalcoatl with its unique stone sculptures of plumed serpents, the Temple of the Butterflies, and the Fortresses. Before arriving at your hotel, we make a stop at the Shrine of the Virgin of Guadalupe, a pilgrimage place for millions of Mexicans and people from all around the world.
