- 6) Package Exclusions
All airport taxes & fuel surcharge, late checkout and personal incidentals.
- 7) No refund for any unutilised services or free rooms.
- 8) **Climate**
There are no extreme temperatures either in summer or winter. In summer months from November to April temperatures range from 23 degree to 33 degree, while winter, lasting from May to October, registers temperatures ranging between 17 degree to 23 degree.

Dry and wet seasons are not clearly defined although one can experience occasional cyclones during the wettest months from December to March.

Mauritius is thus considered as an all year round destination.
