## ISLAND OF BALI

Bali is a province of Indonesia and the westernmost of the Lesser Sunda Islands. Located in the East of Java and west of Lombok, the province includes the island of Bali and a few smaller neighbouring islands, notably Nusa Penida, Nusa Lembongan, and Nusa Ceningan to the southeast.

Also known as the Land of the Gods, Bali appeals through its sheer natural beauty of looming volcanoes and lush terraced rice fields that exude peace and serenity. It is also famous for surfers' paradise! Bali enchants with its dramatic dances and colorful ceremonies, its arts, and crafts, to its luxurious beach resorts and exciting nightlife. And everywhere, you will find intricately carved temples.

Despite well-known as the affordable tourist destination, Bali - **a paradise for luxury travelers** - is the perfect destination for those seeking an exclusive and exceptional holiday experience.

**Balinese people are friendly, open, and welcoming people.** Their traditional culture and way of life means that there are lots of customs and etiquette to abide by, but travelers to the region typically feel safe and welcomed on the island.

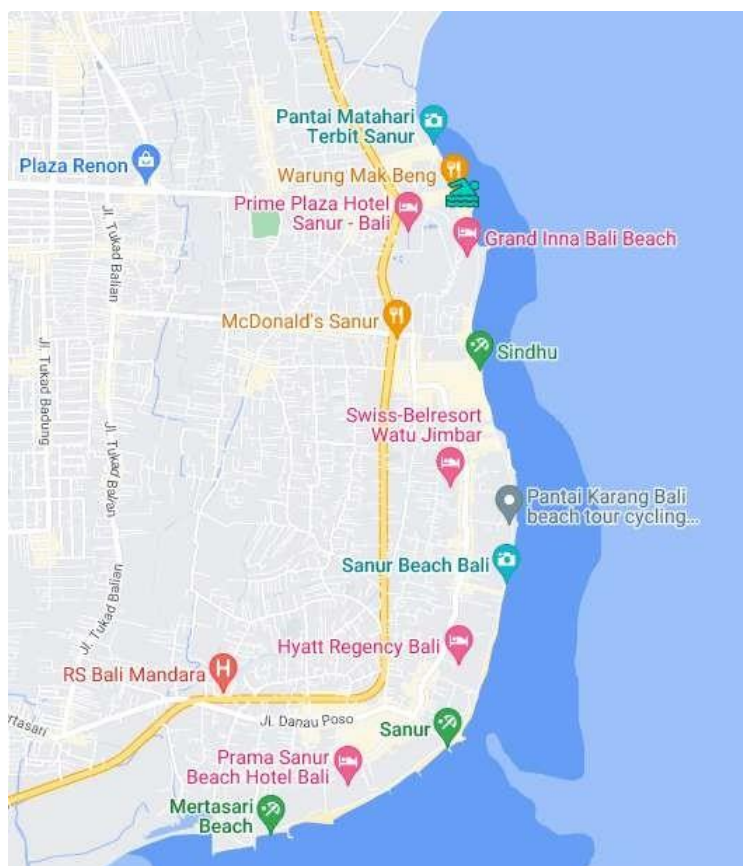

Most travelers will agree that **10 days** is the perfect amount of time to spend in Bali. However, 5 days is the bare minimum if you want to explore more than one area of the island

## KUTA BEACH STREET

Bustling sandy stretch lined with restaurants & resorts, a well-known spot for surfing & sunsets.

Kuta is a beach and resort area in the south of the island of Bali, Indonesia. One of Bali's first tourist developments, its best known for its party-centric atmosphere and surfing in the Indian Ocean. Kuta's long, consistent waves make it a popular surf spot, particularly for beginners, with plenty of outfitters offering board rentals and surf lessons.

Kuta today has become a popular beach destination in its own right, alive with tourists from all over the world, swimming, and surfing or sunbathing by the beach. Others, casually dressed in shorts, T-shirts and flip-flops stroll along its main road, shopping around or enjoying meals at its many open air restaurants.
